## Check Out Our New Technical Assistance Request Form Online

The EFC can provide **FREE** technical assistance to public schools, school divisions, State Education Agencies (SEAs) and public institutions of higher learning. These services may be provided on-site, by telephone, email, or on the web.

### Featured Video: Why Portables?

Presented by EarthFix Media.

Portable, modular or relocatable classrooms--whatever you call them--are a necessity for schools. Many portables become permanent fixtures, in place for decades at a time. Costly and insufficient, these aging structures burden the grid, frustrate teachers and administrators, and compromise student health.

# Upcoming Webinar: Teen Community Emergency Response Team (CERT)

## Readiness and Emergency Management for Schools

**Date:** 5/14/2015

**Time:** 2:00 PM EDT

After an emergency event, schools must sometimes wait for first responders to arrive. To equip students, staff, and schools with basic response skills and emergency preparedness concepts, the Federal Emergency Management Agency (FEMA) established the Teen Community Emergency Response Team (CERT) program to support high schools, which has been adapted from the adult CERT program.
