

OCTOBER 2014

## *Energy Savings Plus Health: Indoor Air Quality Guidelines for School Building Upgrades*

**The U.S. Environmental Protection Agency (EPA)**

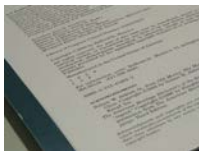

[View the Guide](#)

EPA's Indoor Environments Division and ENERGY STAR are jointly sponsoring a webinar scheduled on **Wednesday, November 5, 2014 from 1:00 to 2:30 pm ET**. Featured speakers include Greg Brunner from Indoor Environments Division who will provide an overview of the guidance and the checklist generator tool and Victor Melton, Carrollton-Farmers Branch Independent School District, Texas, who has successfully implemented energy efficiency measures while maintaining occupant health. [Register for the webinar](#).

## *The EFC is Seeking Research on School Facilities*

**Articles, Dissertations, Literature Reviews, White Papers**

The EFC is seeking research articles, dissertations, literature reviews, and white papers that deal with current topics in the area of education facilities. If you have a publication you would like to share please [email EFC](#).

## *EFC Event Participation*

## October Events

October 3-6, 2014 - Dr. Linda Lemasters, Director of the Education Facilities Clearinghouse, addressed a general session of the Council of Education and Facility Planners International (CEFPI) in Portland, Oregon, on the goals and objectives of the EFC. Dr. Victor Hellman, Research Project Director of the EFC, was a jurist on the 2014 School of the Future Design Competition Jury. [Read More Here.](#)

October 17-19, 2014 - National Rural Education Association (NREA) Annual Conference attendees shared the successes and challenges of rural education; listened to outstanding keynotes, Jerry Ross and Daisy Dyer Duerr, and attended a number of the 60+ breakout sessions. [Read More Here.](#)
