Where we learn matters | TEDxHerndon

Anisa Baldwin Metzger from Center for Green Schools at the U.S. Green Building Council

We are proud that Anisa Baldwin Metzger is one of EFC's Technical Working Group Members. She is discussing what our schools say to our children.

State Departments/Resources

Find information for your state

States each have their own Departments of Education and many have specific departments for school facilities maintenance and/or construction. Each state on this page has a link to some general information about how many students and schools it has and links to pertinent websites.
